

Parental Consent Confirmation

Children under the age of 13 are not able to use the GeoFamily mobile application without written consent of a parent or legal guardian.

A parent or legal guardian must submit this consent confirmation form in order to create a GeoFamily Service account for the child under 13. Once you have granted consent for the child to use the Service, Company will collect personal information such as email account, mobile phone number and SIM ID, and his/her mobile phone may collect location data including GPS, Wi-Fi and or wireless network triangulation for the purposes of providing our Service. Company will use this information to exchange location data among other members allowed within the closed user group, and the child will be able to make and receive a voice call, to send and receive messages(SMS, PUSH, email, etc) to and from other members of the closed service user group. The Company may also share personal information collected from a child under 13 with our third party service providers or partners, as described in our Privacy Policy (<https://www.geofamily.net/en-pp>). However, we will not use or share personal information associated with any account registered for a child under 13 with third party partners for advertising purposes.

Please print this consent confirmation form, complete it, then scan it or take a picture of it, and return it by email address below.
